APPENDIX 6

Kurnool District

Schedule caste seats:

172. Alur—to be made a general seat.

173. Adoni—to be made a scheduled caste seat.

II

While agreeing to the proposals in general, I forward herein my dissenting proposals as enumerated herein.

1. In Guntur-II Constituency in addition to the villages mentioned in item 15 of the Appendix, Vejendla (95) village also may be tagged on. The villages previously included are Nos. 93, 94, 96, 97 and 98 and there is no reason to exclude 95 from that group.

2. In Prathipad Constituency instead of the villages mentioned in item 12 of the Appendix which are difficult to reach, the following villages from Phirangipuram Firka of Sattenapalli taluk which are quite close and adjacent and convenient to villages in Nadendla Firka viz., Merekapudi (121), Nudurupadu (125), Vemavaram (124), Repudi (126) and Houshganesha (128) may be included. Consequently Sattenapalli Constituency will have to take a few villages from the Northern side of the Narasaraopet Firka and which are quite close to villages in Sattenapalli Firka. The villages are Chimalamarri (3), Chagallu (4), Rupenguntal (5), Pamidipad (6) and Mulakalur (7). These small changes have the advantage of compactness and convenience of communications and distances. A perusal of the map will prove the claim.

3. In Guntur District the Constituency No. 103 (Addanki) Constituency No. 100 (Parchur) and Constituency No. 102 (Ammanabrolu or Santhanuthalapadu) are delimited as follows:—

Guntur District

| | | | | | | |

| 102. Ammanabrolu OR | Santhanuthalapadu | . | . | . | . | 34,268 |

| | Maddipadu | . | . | . | . | 39,275 |

Excluding the villages mentioned below in Ammanabrolu Firka.

| | | <hr/> 126,307 <hr/> |

(Naguluppalapadu, Raparlla,
Machavaram, Uppugundur and
Kandlagunta)

Instead of breaking Maddipad Firka and adding some five villages of Addanki Sub-taluk, it may be preferable to add five villages of Ammanabrolu Firka to Parchur Constituency.

4. In East Godavari District Constituency No. 54 (Allavaram) and Constituency No. 57 (Nagaram) are both reserved for Scheduled Castes and they happened to be contiguous constituencies. Reservation of contiguous constituencies for Scheduled Castes is against the delimitation orders and I suggest that Rajole constituency may be one other reserved for Scheduled Castes in East Godavari district.

5. In Guntur District village No. 31 (Angalakuduru) and village No. 47 (Peda Ravuru) are included in Duggirala Constituency. This may be included in Tenali Constituency since these villages are contiguous with this constituency.

6. In Guntur District village No. 37 (Manchola), village No. 38 (Kothapalli) and village No. 39 (Vetapalem) of Chebrolu Firka are now included in Tenali Constituency. They may be tagged on to Paruchur constituency.

7. In case of Hyderabad, the whole district has been considered as one unit. I suggest that the urban and rural areas may be considered as separate units for purpose of delimiting the constituencies.

I send you enclosed my note setting forth my dissenting proposals which I wish to be published under Section 9(2) (a) of the Delimitation Act, 1962.

K. V. NARAYAN REDDY,

Associate Member.

NOTE OF DISSENT

While expressing my appreciation of the earnest attempts made by the Commission to accommodate the considered views of the Associate Members in the formulation of their final proposals, I am constrained to voice my dissent with the Commission's proposals, mentioned there-

under, which, in my opinion, are not in accordance with the provisions of the Delimitation Act 1962:

(i) The allotment of the reserved seat for the Scheduled Tribes to No. 124 Kovur of Nellore District where the Scheduled Tribes form only 12.13 percent of the total population, does not follow the relevant provision of the Act, viz., Sub-section (1) (D) of Section 9 of the Delimitation Act, 1962, which clearly specifies that seats for the Scheduled Tribes ought to be reserved in only those constituencies where the proportion of their population to the total is the largest.

The Commission's proposal in this regard does not conform to even a liberal interpretation of the said provision.

In view of the said proposal and the others concerning the allotment of seats to the Assembly Constituencies of Nellore District, I suggest the reservation of seats for Scheduled Castes to be made in No. 124 Kovur, No. 129 Gudur and No. 131 Venkatagiri leaving those in Sarvepalli and Sulurpet as General seats.

This proposal of mine has the merit of fulfilling the following requirements as specified with regard to the allotment of seats :

- (a) The conversion of the seat in 124 Kovur into one for Scheduled Castes will result in the honouring of the provision of the Act [Sub-section (1) (D) of Section 9].
- (b) The principle agreed upon that the allotment of seats for Scheduled Castes should not, as far as possible be made in constituencies which are contiguous with one another is strictly followed if the seats allotted to Kovur, Gudur and Venkatagiri are reserved for Scheduled Castes and those in SARVEPALLI and SULURPET are notified as GENERAL SEATS.

The loss of a seat for the Scheduled Tribes resulting from the conversion of the seat in Kovur into one for Scheduled Castes may be made good by choosing one of the Assembly constituencies mentioned in the table (Commission's final proposals) setting forth the concentration of the Scheduled Tribes population in various parts of the State which has yet to be allotted a seat for Scheduled Tribes, in lieu of the constituency which does not figure on this table.

(ii) I wish to express my disapproval of some of the proposals of the Commission such as the following which are at variance with those made by the Associate Members unanimously.

The Commission's proposals in respect of Prathipad constituency and No. 121 Merikapadi, No. 124 Vemavaram, No. 125 Nudurupadu, No. 126 Repudi, No. 128 Houshganasha constituencies in Guntur District having been formulated without paying due regard to Sub-section (1) (a) of section 9 of the Delimitation Act, 1962, to be revised so as to provide for the inclusion of such villages as are easily accessible from the point of view of public convenience and found in contiguous areas.

These vital provisions of the Act should not be observed in the breach by the Commission while formulating proposals concerning the Delimitation of the Constituencies.

(iii) As regards Hyderabad, a separation of the urban from the rural areas is necessary for the purpose of delimiting the constituencies so as to bring the Commission's proposals in line with equity.

P. S. SUBRAMANIAN, Secy.
